Dear Claus and Jorcy,

Greetings of Peace!

Thank you so much for the support that you gave to our group, the Private Prayer Group. It was truly amazing, heart-warming and successful celebration of our chapter anniversary!

The 480 detainees in Ormoc City Jail were able to receive the full sumptuous meal, shirts and toiletries that you have sponsored. They never expected that there are still good people who care to the least, the lost and the last members of the society. Truly they were touched by your kindness and generosity.

Again, In-behalf to them I would like to say with profound gratitude, Thank you so Much!

God bless and more power.

Sincerely,

Vilma N. Fernandez
