**MR. CLAUS WAGNER**  
**HUMAN COOPERATIONS FOUNDATION**

**Dear Mr. Wagner,**

Greetings from PPG!

Our heartfelt gratitude to you and the Foundation for the second meal and toiletries that the BJMP inmates gladly, joyfully and satially received!

Even after the first visit that we had last July 11 the inmates really longed to have us come back for them.

We thank you for your continued trust and support to us to help the 491 inmates (previous was 473). We are so proud and thankful to you, as to the inmates and even the jail guards said that it was only the Human Cooperations Foundation that they received this kind of voracious help.

May you continue to be a blessing to those who are in dire need.

God Bless!

Sincerely yours,

Claus & Jorce,

I just want to share this because it overwhelmed me, knowing that some of the inmates just took a bite of the "adobo" so that they will still have good viand in the evening. Others also just set aside the chopsuey and pansit for their evening meal. I really pitied them especially when one inmate begged to have the tarpaulin for him to use as mat.

Thank you so much for the opportunity to serve! God bless you and your Foundation.
